CONTACT US

ABOUT US

Motions General Trading LLC. MGT is an interactive company that provides services within different areas of the entertainment production industry.

From Live Event Productions to the AV Rental & Installation Solutions. Whether it's a large scale-show or a small gathering, we cater to transform any venue infrastructure to meet your needs, from corporate events and festivals to orchestra nights, as sound and lighting play a crucial and transformative part of any show, and as an audiovisual company.

COMPANY HIGHLIGHTS

01 SOLUTIONS

We go beyond merely providing products – delivering highly effective solutions that meet your requirements. Whether you're seeking support for your events or require assistance with audiovisual products, our services cover a spectrum of needs – from technical to strategic advising.

03 VALUE

Our commitment to your satisfaction is supported by our unmatched knowledge & expertise, providing you with added peace of mind for your investments. We believe in going above and beyond which is why we provide after-sales support to ensure your audiovisual experience remains smooth.

02 SUPPORT

Our company ensures that you receive guidance and support throughout your journey with us. We are equipped to cater to your every need with efficiency and expertise. Backed by a highly capable and well-trained technical team, we are committed to delivering the highest level of quality and innovation to meet your audiovisual requirements.

04 KNOWLEDGE

We stand out through our product expertise and technical know-how. With a deep understanding of the industry's best practices, we craft solutions based on your needs. Backed by a history of successful projects and sales, we bring our experience to ensure your audiovisual needs are met.
